About ARUNA

Our Story

A moments decision to visit the Southern Highlands led to owners, Antony and Chris, falling in love with the property upon first sight. They saw a unique opportunity to celebrate nature, sustainable farming, local produce and, of course, warm hospitality.

The name ARUNA was derived from two cultural meanings. ARUN meaning dawn or daybreak in Thai, and in Japanese ARUNA translates to 'moon love'. For us, it symbolizes the beauty we see from dawn to night.

*You ask how much I love you; I tell you to look at the MOON!
Sometimes the moon is full and bright. Sometimes, only a crescent.
Sometimes you can't see the moon at all, but you know it is ALWAYS there.
The Moon represents my love!*

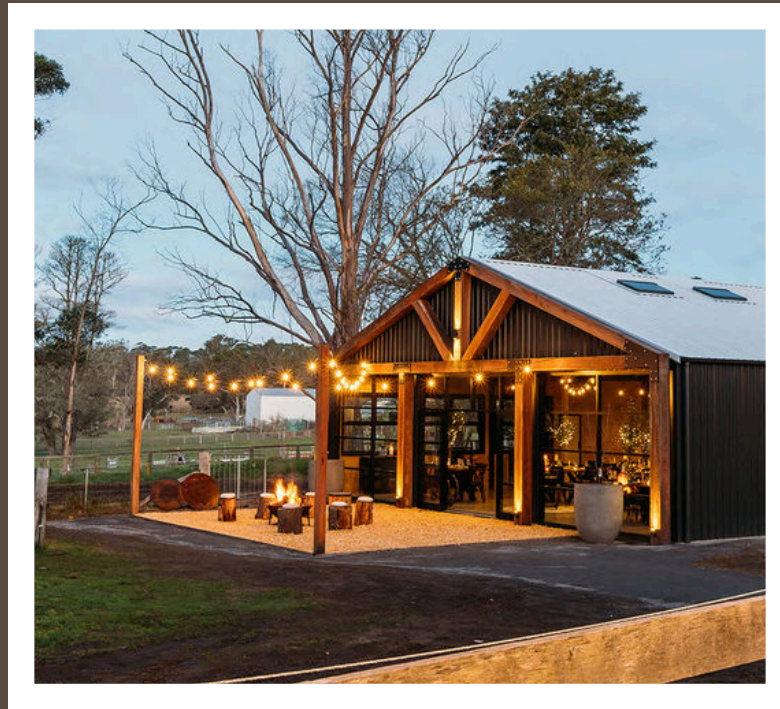

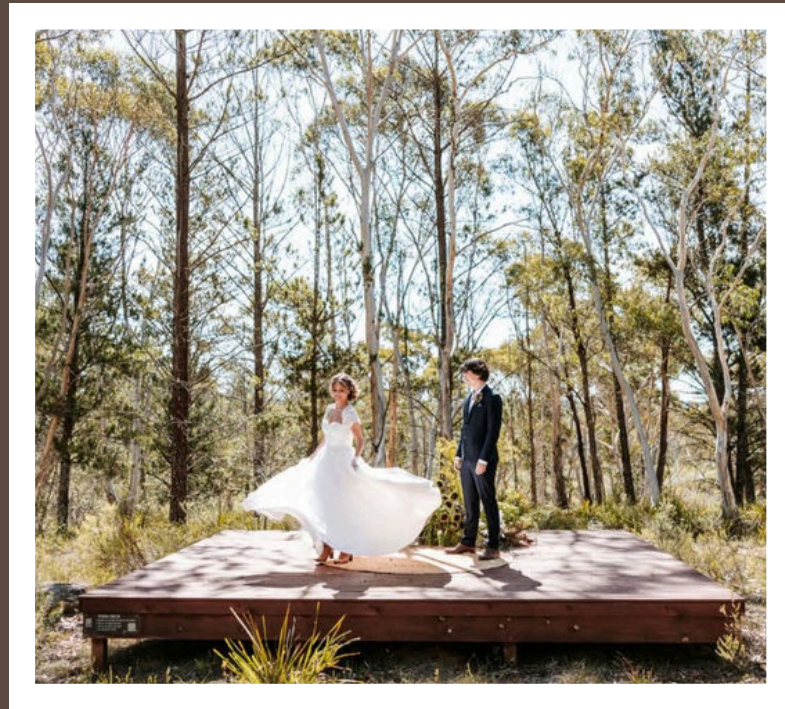

Location

ARUNA Estate is the ideal location to celebrate your special day. Just 90 minutes out of Sydney, in the Southern Highlands, and set in a stunning natural environment, the estate ensures success by harnessing the power of nature.

Why Choose ARUNA?

ARUNA is the perfect 'destination wedding' location, fully equipped to cater a wedding ceremony, cocktails and reception for up to 60 guests, without having to bring in a thing! Accommodating 20 of those guests in our existing villas and cabins or increasing to your full group with a glamping experience. Drawing on our partners and preferred vendors, Aruna offers end-to-end wedding services designed to bring your vision to life - from planning and logistics to on-the-day coordination - so you can focus on celebrating.

Ceremony Locations

Ceremony Locations

ARUNA offers a collection of thoughtfully chosen ceremony settings, each designed to frame your vows in nature and create a sense of calm, intimacy and occasion. From sun-dappled forest clearings to refined garden spaces, every location provides a beautiful backdrop for a moment that feels deeply personal.

The Pine Forest

Amongst The Gums

Overlooking The Dam

The Urn Garden

The Pine Forest

Accommodating up to 100 guests seated or standing, the Pine Forest offers a majestic natural setting with shade and dappled sunlight.

Amongst The Gums

This rustic bush setting can accommodate up to 40 seated guests or 60, with some standing. Scribbly Gums provide a native backdrop to your vows.

Overlooking The Dam

Closer to the main house on the property and with existing facilities, this location has open views to the Villas and the State Forest beyond. It can accommodate 60 guests seated or standing.

The Urn Garden

In front of the Residence and close to The Stables, this is the most formal of our ceremony locations and can accommodate up to 100 guests seated or standing. Set in front of an oversized Urn, this location provides a lovely focal point, a short walk to your reception.

Reception Space

The Stables

Designed with flexibility in mind, The Stables can host meetings and retreats, elegant sit-down dinners and events or pop-ups. The Stables is also popular with visiting chefs wanting to offer a paddock-to-plate experience, using fresh produce from our property.

We can provide comprehensive end-to-end event services, offering tailored packages to suit your specific needs, or you can choose to have full control over the space to craft your own unique experience.

Aruna can offer event logistics, management, entertainment and even content creation to deliver your business message. We have partnered with some incredible facilitators who can work with your team in creating an enlightening experience.

Celebrate Under The Stars

Celebrate Under The Stars

Unique to ARUNA Estate is our long, pine lined driveway, which can be transformed into a majestic event space. Up to 60 guests, seated on a long table leading up to the Urn Garden, light bouncing off the tree canopy to provide a warm celebratory environment. Best of all, our Stables is a perfect wet weather back up, removing a huge amount of stress from the equation.

**This capacity is based on the back-up indoor space and existing equipment at ARUNA. The outdoor space can accommodate up to 150 guests, but will require additional rented equipment, a marquee for wet weather back up and toilet facilities.*
